The Disk Doctor also gives a **1 YEAR WARRANTY** on all M1 & M2 Commercial Scratch Repair Machines!

Single Arm or Dual Arm?

The choice of a Dual Arm MACH 1 or Single Arm MACH 2 really depends on the size of your disc library and the number of discs you need to repair. As a rule of thumb, if you have more than 3000 discs, you should purchase the Dual Arm MACH 1. If you purchase a Single Arm, we'll offer an easy upgrade to a Dual Arm as your business grows!

The Disk Doctor offers the following payment options:
